To: The Shareholders of Carlsberg Brewery Malaysia Berhad

Dear Sir/Madam,

1. INTRODUCTION

At the 53rd AGM held on 19 April 2023, the Company had obtained its shareholders' approval for the Group to enter into recurrent transactions of a revenue or trading nature with its related parties ("Shareholders' Mandate"). The authority for the Shareholders' Mandate will expire at the conclusion of the forthcoming 54th AGM of the Company to be convened.

On 7 February 2024, the Board announced its intention to seek shareholders' approval for the Proposed Shareholders' Mandate pursuant to Paragraph 10.09 of the Listing Requirements at the forthcoming 54th AGM of the Company.

The purpose of this Circular is to provide you with relevant information on the Proposed Shareholders' Mandate, to set out the Board's recommendation thereon and to seek your approval for the ordinary resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.

2. PROPOSED SHAREHOLDERS' MANDATE

2.1 Listing Requirements

Under Paragraph 10.09 of the Listing Requirements, a listed company may seek a shareholders' mandate in respect of Recurrent RPTs subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the consideration, assets' value, capital outlay or costs of the Recurrent RPTs is RM1 million or more, or the percentage ratio of such Recurrent RPTs is 1% or more, whichever is higher;
- (c) issuance of a circular to shareholders by the Company containing information as specified in the Listing Requirements. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholders' mandate, interested Directors, interested Major Shareholders and interested persons connected with such Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must also ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the Company immediately announces to Bursa Securities when the actual value of a Recurrent RPTs entered into by the Company, exceeds the estimated value of Recurrent RPTs disclosed in this Circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

2.2 Details of the Proposed Shareholders' Mandate

The principal activities of the Company and the Group are the production of beer, stout, cider and non-alcoholic beverages for sale and distribution in the local market and for export. The Group's product range includes Carlsberg, SKOL, Royal Stout, Sapporo, Kronenbourg 1664, Connor's Stout Porter, Tuborg, Somersby, Somersby 0.0, Nutrimalt and Jolly Shandy.

In the ordinary course of its business, the Group has entered into certain Recurrent RPTs and it is anticipated that the companies within the Group would, in the ordinary course of business, continue to enter into such transactions with Related Parties, details of which are set out in Section 2.3 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

The Board is seeking shareholders' approval for the Proposed Shareholders' Mandate for the Group to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 2.3 below, provided that such transactions are entered into at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and which will not be to the detriment of the minority shareholders of the Company. Such mandate will enable the Group to enter into the Recurrent RPTs without the necessity, in most instances, to make the required announcement or to convene separate general meetings in order to procure specific prior approval from its shareholders. The Recurrent RPTs will also be subjected to the review procedures set out in Section 2.7 below.

The Proposed Shareholders' Mandate will take effect from the date the Ordinary Resolution is passed by the shareholders at the forthcoming 54th AGM and will remain in effect until:

- (a) the conclusion of the next AGM of the Company, following this AGM at which the Proposed Shareholders' Mandate was passed at which time it will lapse, unless by a resolution passed at such AGM whereby the authority is renewed;
- (b) the expiration of the period within which the next AGM after that date is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in general meeting;

whichever is the earlier.

Thereafter, if the Board decides that the renewal of the Proposed Shareholders' Mandate is desirable, shareholders' approval for such renewal will be sought at each subsequent AGM of the Company.

2.3 Class and Nature of the Recurrent RPTs

The Recurrent RPTs to be covered by the Proposed Shareholders' Mandate are general transactions by the Group relating to the sale and procurement of products and services to/from Related Parties in the normal course of the business of the Group. The details of the Recurrent RPTs are as follows:

2.4 Amount Due and Owing to the Group by CBAS Group of Companies

The breakdown of the total outstanding amount due under the Recurrent RPTs which exceeded the credit term as at end of the financial year ended 31 December 2023 are as follows:

Transacting Parties	Amount due which exceeded the credit term ("Overdue Sum") (RM'000)			
	≤ 1 year	>1 year – 3 years	> 3 year – 5 years	> 5 years
CBAS Group of Companies*	328	-	-	-

Notes:

* The outstanding amount due from CBAS Group of Companies has been fully paid by 22 February 2024, except for outstanding amount of RM2,479 which is expected to be settled by early March 2024.

There were no late payment charges imposed on the outstanding amount due by the Related Parties as the Overdue Sum was all trade in nature and payment was in line with the Group's normal business practices.

The Management monitors and reviews the outstanding amounts due and owing by the Related Parties on a regular basis. The Group has and will continue to meet and discuss with the relevant Related Parties to pursue for settlement of the outstanding amounts due.

2.5 Terms of the Recurrent RPTs

The terms of the Recurrent RPTs are consistent with the Group's usual business practices and policies and are not more favourable to the Related Parties than to the public (where applicable) and are not to the detriment of the minority shareholders of the Company.

2.6 Rationale and Benefits for the Proposed Shareholders' Mandate

The Recurrent RPTs envisaged under the Proposed Shareholders' Mandate are in the ordinary course of business of the Group. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. As such, it may be impractical to seek shareholders' approval on a case-by-case basis before entering into such transactions.

The obtaining of the Proposed Shareholders' Mandate and the renewal of the same on an annual basis would eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when potential Recurrent RPTs arise, thereby substantially reducing administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The various Recurrent RPTs entered into by the Group as detailed in Section 2.3 above have been entered into, and will continue to be entered into, to meet the Group's business needs at the best possible terms and in the best interest of the Group.

2.7 Review Procedures for the Recurrent RPTs

The Management of the Group has ensured, and will continue to ensure, that Recurrent RPTs will only be entered into after taking into account the pricing, quality of products and services and other related factors on terms not more favourable to the Related Parties than those generally available to the public (where applicable) and are not to the detriment of the minority shareholders.

In so doing, the Management of the Group has implemented and will continue to implement, the following methods and procedures to ensure that the Recurrent RPTs are undertaken on an arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public (where applicable):

- (a) The Management of the Group is cognisant that, as in the past, all Recurrent RPTs are required to be undertaken on an arm's length basis and on normal commercial terms (where applicable), where at least 2 other contemporaneous quotations will be obtained from unrelated/third parties to ascertain appropriate prices and be used as comparison, whenever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities. In the event that quotation or comparative price from unrelated third parties cannot be obtained, the price of the products or services shall be determined based on the usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations to ensure that the transactions are not detrimental to the Group. The Management of the Group referred to subject matter experts within the Group (eg. Tax & Legal functions) to ensure the validity and adequacy of the existing related party agreements entered into pursuant to all Recurrent RPTs. Any change was duly reviewed and approved (external resources were engaged, where applicable) to ensure the current practices were in accordance to the local tax jurisdictions and the standards adopted by the Group on transfer pricing. On a quarterly basis, the Group Accountant compiled all related party transactions recorded in the accounting system for confirmation by the relevant functions on the completeness of the Recurrent RPTs and the corresponding agreements prior to the tabling of the results to the AC;
- (b) The Group maintained records to capture all Recurrent RPTs entered into pursuant to the Proposed Shareholders' Mandate. According to the internal guidelines or procedures on the approval of Recurrent RPTs, Recurrent RPTs above RM1.0 million shall be reviewed and approved by the AC and the Board respectively while Recurrent RPTs below RM1.0 million shall be endorsed by Managing Director and Management team;
- (c) As part of its Audit Plan, the Internal Audit Department of the Company would carry out a review at least once a year on all identified and reported Recurrent RPTs. This was to ascertain that procedures were in place to ensure all Recurrent RPTs were duly supported by valid related party agreements. Such agreements must be reviewed by the relevant subject matter experts from internal and external resources in ensuring arm's length basis was observed (where applicable) and approved by the Management. The review performed by Internal Audit Department also provided reasonable assurance that all Recurrent RPTs were completely disclosed and conducted within the shareholders' mandate;
- (d) The AC reviewed the report(s) presented by the Internal Audit Department to determine whether established guidelines and procedures were adhered to and if there was a need for further review or improvement; and
- (e) The Board and the AC reviewed the procedures as and when necessary, with the authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Board or AC has an interest (direct or indirect) in the transaction, he shall abstain from participating in the decision-making by the Board or the AC in respect of that transaction.

2.8 Statement by the AC

The AC has reviewed the terms of the Proposed Shareholders' Mandate and is of the view that procedures were in place to ensure that the arm's length principle was duly observed (where applicable) and in accordance with the Group's normal commercial terms, which were not prejudicial to the minority shareholders or disadvantageous to the Group and were not more favourable to the Related Party than those generally available to the public (where applicable).

The Group has implemented adequate processes and procedures (as stated under Section 2.7 of this Circular) to monitor, track and identify Recurrent RPTs on a timely and orderly manner. The AC also reviewed the disclosure of actual recurrent related party transactions to ensure the total value falls within the Shareholders' Mandate on a quarterly basis.

2.9 Interests of Directors' and Major Shareholders' and/or Persons Connected to Them

Interested Directors:

SC, JMVRA, GSB and CPKK are deemed interested in the Proposed Shareholders' Mandate as stated under Section 2.3 above as they are acting as nominees/representatives of CBAS.

The abovementioned interested Directors have abstained and will continue to abstain from voting on the resolution in respect of the Proposed Shareholders' Mandate and have also undertaken to ensure that the persons connected to them will abstain from deliberating and voting on the resolution in respect of the Proposed Shareholders' Mandate at the forthcoming 54th AGM.
